THE CIRCUS BREWING CO. EST. 2014

The hostel bar has come a long way over the years – what began as an unheated bar off a street called “Am Zirkus”, is now a microbrewery in the basement of Katz & Maus.

It all began with a lively conversation, accompanied by many a beer, thinking of ways to improve the bar, and then the idea of a brewery hit us! We slept on it, woke up with hangovers, and the thought never left us.

Our brew master Heiko graduated from Technische Universität Berlin, and worked at the Beck's brewery in Bremen before joining us at The Circus. Heiko proudly brews in accordance with the German Purity Law for beer. With carefully sourced ingredients, he produces quality seasonal beers with character for our guests' enjoyment.

We hope you will try our beer and enjoy something that has been handcrafted right here in The Circus.
